Disaster Management Committee

The school aims to ensure the safety of students and staff during emergencies. To fulfill this school has taken different steps at all levels. Right from lower classes onwards Disaster Management and Environmental Club is conducted every week. Students are made aware about natural as well as man- made disasters; how to be prepared for such situations in school/ home/ hill area etc. The club students prepare models and projects on different types of disasters and sensitize the rest of the students on the same. Besides this various other activities are done in the form of research based projects, class presentations, PPTs etc for students at all levels of classes as per requirement of CBSE.

School has a proper plan for Safety. Fire extinguishers are installed on all the floors. Students & staff are imparted knowledge on it. Mock drill to evacuate the building in emergency situation is practiced at frequent time durations. Workshops are conducted to make children realize their responsibility for their own personal safety & learn how to help someone else who is injured. Students are explained how to remain calm during such situations. Important safety and First Aid tips are shared with them.
